Mindy and Mike,

Attached are the webpages that we intend to publish concurrent with the tribal consultation announcement. As we are on a tight turnaround for this website to be published, we are having OGC review simultaneously, as I understand was discussed earlier today with you, John, and Kathy. There are a few formatting things that are still being handled, such as links, minor edits, and the homepage pictures, but please provide your comments or approval to the content as soon as possible.

Let me know if you have any concerns or questions,

B
